ACTIVITIES AT A GLANCE
1. Health club
2. Students recreational trips
3. Display of projects
These activities are helpful to develop basic skills of children such as motor, sensorial and cognitive skills in order to have better learning environment.

ASSEMBLY PRESENTATIONS
Assembly that is conducted on daily basis, provides our students, the opportunity to bring out their potential and to build their self-confidence. The students participate in these assemblies and experience a joyful learning throughout the year.

MOTHERS’ DAY CELEBRATIONS
This special day gives an opportunity to our students, to relish the ever lasting bond of love and affection between them and their mothers through cards and gifts. Children participated fully in card making activity and enjoyed every bit of it.
**Educational Projects**
TEDDS always appreciates and encourages students’ efforts towards better learning. For the purpose, Prep classes projects were displayed at the PTM of 1st Term Exam which were assigned in their summer packs. Parents participation towards this activity was worth appreciating.

**Sports Day**
Sports are necessary for physical fitness. Annual sports day was celebrated for active mind and physical development. Students’ enthusiasm and participation was worth seeing. They participated keenly in every sport.

**Recreational Trips**
Recreational trips are arranged every year to lower the burden of studies. Children participated in different performances and enjoyed the trips a lot.

**Summer Splash Activity**
A summer splash activity was arranged to beat the heat and to come out of the exam fever. Our little scholars enjoyed every bit of it.

**Independence Day Celebrations**
Independence day was celebrated with great enthusiasm and the pre scholars participated eagerly to show their love and affection for their home land.

**Kitchen Activity**
Along with other activities school also arranged a kitchen activity to enhance young learners’ gross motor skills. They loved making sandwiches and drinks.
**Introduction of Colours**

Colour day was celebrated to help our students recognize/classify colours, using their sensory motor skills by showing them different objects and wearing that particular colour.

**Pet Animal's Day**

Pet animals’ day was celebrated on the World Animal Day. Our young learners learnt about respecting animals and handling them with care.

**Plantation Activity**

This activity raised awareness among students about the importance of plants in our life.

**Eid Milan Party**

A party was arranged for the students after Eid, to let them share their joy for this holy festival with their class fellows. Students brought their favourite lunch and enjoyed a lot.

**Teachers Training Workshops**

TEDDS always arranges training workshops for the teachers to introduce modern teaching techniques and enhance their teaching skills.

**Parent Teacher Meetings**

Parents and teachers need to have a shared understanding of their child’s progress. Therefore, parent-teacher meetings are held after every exam.
